What is Rebuilding Together?

Rebuilding Together Montgomery County (RTMC) is a **non-profit organization** that works in partnership with community volunteers to provide free home repairs and accessibility modifications to help low-income homeowners remain safely and independently in their homes. **The program is designed to help those who have no other means to complete needed repairs.** *Repairs are made through RTMC's National Rebuilding Days, Volunteer Handyman Services, and/or Critical Needs Services. Repair work is done year-round.*

- ⇒ **Repairs are made to improve the safety, warmth and security of the recipient's home as well as to provide accessibility modifications.**
- ⇒ Repairs can include minor plumbing and electrical work; roofing, floor, wall, and ceiling repairs; some (limited) interior and exterior painting, installation of grab bars and building of ramps; trash removal and yard work.
